The Apple Project Ilford is now under way, and several Ilford Christians Against Poverty members are involved in it. We are looking for people in Ilford with Apple trees who will have Apples later in the summer which they can't use and who are willing to donate those apples to the Project. Project volunteers will pick the Apples and distribute them to local community groups, the Community Grocery Food Bank etc. At the moment we are just asking people to register their tree if they have one so that we can get an idea of how many trees we will have. If anyone is willing to offer their tree? Please register and there is also a QR code on the flyer in the porch
